BREAKING NEWS...

 **INVITATIONAL HAS ARRIVED:** This weekend is the Valley Youth Conference Invitational at Granada Hills High School. Proceeds from this event benefit the conference post season team the Valley United Striders. There will be a blood drive going on during the event, if you are interested, see the attached flyer. Concessions will be available for purchase, but be warned, they are priced at an *event rate*. Come with lots of cash or we suggest you bring a cooler with lunch and snacks. There will be limited close parking and limited space for “pop-ups.” See photo below for suggested parking areas and restricted areas. Also see attached flyer for order of events each day to help you plan your schedule. Check the website for a link to a map to the facility, you can find the attached flyers there as well.

 **MEET RESULTS:** It would be really helpful to the timing crew if you took the time to review results at the meet. Errors are much easier to correct at the meet rather than after. Please make an effort to review the results posted at the meet! THANK YOU!

 **MEET DAY PICTURES:** We have a team photo website that you can access from the main page of our website or by entering the following address www.photoshow.com/members/scetrack. We would love to add your pictures to the site. Turn in a disk or flash drive at practice with your name clearly marked and we will get it back to you, or email them to scetrack@hotmail.com.

 **PICTURE NIGHT IS FINALIZED:** The 27th and 29th are our new picture nights for this season. The photographer is Coach Phil from the LA Falcons. You may remember his action shots from last season. Check out his website accessible from our website in the photos section. A new order form will be available on the website this week. Remember, the basic package is included with the fees you paid at the beginning of the season. Additional pictures are available to order. There will be samples available at picture night. Stop by Coach Phil’s tent and see the great stuff he does.
