BREAKING NEWS...

 **PICTURE NIGHT IS THIS WEEK:** Monday and Wednesday are our picture nights, Gremlins and Midgets are Monday and Bantams, Youth and Intermediates are Wednesday. Practice as usual for the teams not being photographed. The photographer is Coach Phil from the LA Falcons. You may remember his action shots from last season. Check out his website accessible from our website in the photos section. A new order form will be available on the website this week. Remember, the basic package is included with the fees you paid at the beginning of the season. Additional pictures are available to order. There will be samples available at picture night. Stop by Coach Phil's tent and see the great stuff he does.

 **NATIONAL ANTHEM:** If you, or one of you athletes, have the desire to sing the national anthem this Saturday to kick off the meet, please contact the team ASAP at scetrack@hotmail.com.

 **POP-UP AVAILABILITY:** In order to be good hosts this Saturday we will be taping off areas of the stands for our visiting teams as well as our own athletes. This has become an issue at previous meets and we want to be assured those that are doing the running have a place to go and cheer on the others.

 **MEET RESULTS:** It would be really helpful to the timing crew if you took the time to review results at the meet. Errors are much easier to correct at the meet rather than after. Please make an effort to review the results posted at the meet! THANK YOU!

 **MEET DAY PICTURES:** We have a team photo website that you can access from the main page of our website or by entering the following address www.photoshow.com/members/scetrack. We would love to add your pictures to the site. Turn in a disk or flash drive at practice with you name clearly marked and we will get it back to you, or email them to scetrack@hotmail.com.

 **MOTHER'S DAY WEEKEND:** Are you this year's fastest MOM? Think you can beat the ladies from the Valley Raiders and the LA Falcons? Do you want to win one of 3 free trips to the spa? Space is limited to 21 MOMs per team. Remember you don't have to be the fastest to be a winner in your kid's eyes! Start training now and email us at scetrack@hotmail.com if you are interested in participating in this year's MOM's 100!

MEET DAY INFORMATION AND PROCEDURE

TRACK MEETS: Track meets are held on Saturdays and start at 8:30am. However, athletes should arrive at 8:00am and check-in with their age group coaches to pick up their tags. Tags must be worn on the uniform top for all events. No one can compete in an event without an official tag.

EVENT SELECTION: Athletes sign-up for the events in which they will participate on the Wednesday or Thursday prior to the meet. If an athlete signs up to be part of a relay team, they must stay and participate in the event.

UNIFORMS: All competing athletes must wear a current Running Warriors uniform. Black or Green tights and White long sleeve shirts can be worn under the uniform if desired. Shirts must be tucked in during competition. Unacceptable attire: hats, scarves, dew rags or bandanas are not allowed; sweats or warm-ups during competition are not allowed.

SPIKES: "Spike" shoes are racing flats with sharp metal spikes. They are built for speed and do not have good cushioning properties. Injuries could result with the wearing of spikes on a daily basis. They are optional and can only be used by Bantams, Midgets, Youths, and Intermediates. For safety concerns, Gremlins are never allowed to wear spike shoes. Spikes should not be worn on hard surfaces as it will wear down the spikes and you may slip! Spikes should only be worn when it is time to compete—be sure your athlete removes them at the completion of their event. Spikes should be carried to staging and then put on once you are staged or seated.

- 3/16" or shorter needle spikes or 1/4" pyramid spikes are needed for Canyon HS tartan tracks and runways
- 3/16" needle spikes are needed for most other tartan tracks and runways – check with coach before meet.
- 3/8" spikes are needed for dirt tracks

Spikes will be available to purchase at practice for \$2.00/bag. To ensure that you purchase the correct size spike, we encourage you to purchase them through the SCE team. Any athlete with the wrong size spike in their shoe will not be allowed to run until the spike size is corrected.

LOANER SPIKES: On meet days, loaner spike shoes are available at no cost. However, you will need to purchase spikes for \$2.00 bag, if the appropriate size spikes are not in the loaner shoe.

MEET PROCEDURE: Because meets run at different speeds, depending on the size and organization of the home club, it is impossible to state a definite time schedule. Running events and field events run concurrently.

GREMLINS are allowed a maximum of three events. **BANTAMS, MIDGETS, and YOUTHS** are allowed to compete in a maximum of three events and a relay. **INTERMEDIATES** are allowed to compete in a maximum of four events.

Important: "Over-vented" athletes will be disqualified from all events they participated in. This includes relays teams; the entire team will be disqualified.

Thirty minutes prior to your event athletes report to their age group coach for warm-up instructions. Running events take precedence over field events. Check-in at your field event, then check-out of this event, when you hear 2nd call for your running event. Proceed to the staging area. Return to the field event immediately after finishing your race. Listen carefully for the announcer's call of the races. You must be at staging immediately after 2nd call is made or announced. It is the responsibility of the athlete to find their events.

TRACK ETIQUETTE AND SAFETY FOR ATHLETES, FAMILIES, AND FRIENDS:

- **GENERAL:** The entire track and field areas are for the exclusive use of the athletes. Only Meet officials and meet helpers are allowed on the track, on the infield, or inside the track fence line. No Spectators Allowed in the above listed areas. All non-enrolled children need to be under the supervision of an adult. Show respect to all coaches and volunteers. Under no circumstances should an athlete or spectator ask for times at the timing tent. When they are ready, times and event results will be posted.
- **ON THE TRACK AND FIELD:** To avoid event interference, always look both ways before crossing the track and runways. NEVER cross through the shot put area. NEVER cross through the approach area or runways of field events. NEVER interfere with an official.
- **DURING EVENTS:** INTERFERENCE with another runner is cause for disqualification. STAY in your lane after your race, until the lane judge has taken your race tag. DO NOT pace (run along-side) any runner during a race. This will result in disqualification of the runner being paced. DO NOT call split times out to any runner.

- **ON BEHAVIOR AND SPORTSMANSHIP:** NEVER “bad mouth,” taunt, or berate others. Throwing of a baton is not allowed. Clean-up after yourself. If you brought it or bought it, please dispose of it. WE WILL NOT tolerate any arguments or heated discussions during practice or at meets. We are all human and errors can and will occur. Disputes should be discussed in a proper manner. First discuss the problem with your age group coach and he/she will determine the next course of action to take. ONLY AGE GROUP COACHES are allowed in the timing tent area to meet with officials and discuss the issue.

WHAT TO BRING AND HOW TO PREPARE: As with practice, proper rest, nutrition, and hydration are essential for your athlete’s success on meet day. A heavy meal and dairy products should be avoided just prior to competition. Carbohydrate loading the day/evening before is the best way to take in and store valuable energy. Please also make sure your athlete is prepared with the necessary equipment and clothing. In packing, provide your athlete with plenty of water, nutritious snacks (fruit, trail mix, energy bars, etc.) or money, a towel, beach chair, or blanket, sweats, hat or visor, sun block, spikes (if using them), and running shoes. You may consider including a book, music, or other activity to keep your athlete occupied during down/non-competing periods.

We hope that all parents come to support and cheer on their athletes. If for some reason, you have left your child at a meet and/or he/she is going with a friend, please don’t leave your child unattended. Make arrangements with an adult to be responsible for your athlete. **Gremlin** parents are always responsible to be in attendance at all meets throughout the meet.

ORDER OF EVENTS: During the day, running and field events take place simultaneously. The relays are at the end of the day, do not sign-up for one if you do not plan to stay for the event. All field events run concurrently. Running events take precedence over field events. If called for a field and running event at the same time, first check-in at the field event and then after the second call for the running event, check-out with the field event judge and proceed to the staging area for the running event. Immediately after finishing the race, you have a maximum of five minutes to return to the field event and check-in with the judge.
