Football

March 2008

This letter is to introduce \_\_\_\_\_; as a representative of the SCVAA Warriors Track and Field, a non-profit youth organization. At this time, the Team is looking for donations in the form of water, gift certificates, merchandise, etc., that would be appropriate for our athletes, ages 5 to 15 years.

Our annual Lap-a-thon took place on Tuesday, March 25, 2008. Each participating athlete ran for 1 hour after collecting per-lap dollar pledges and donations from family and friends. The funds that are raised are used to purchase the team, and the local school, new state-of-the-art equipment as the older equipment wears out and breaks-down.

Our team currently represents over 200 families with 255 young runners. At this time, we are looking to reward our participating athletes for their hard work. Any donations, in any quantity you could give to support our athletes would be greatly appreciated. I can be reached at \_\_\_\_\_ if you have any further questions.

The SCEast Running Warriors thank you for your support.
