The jobs are fun, easy, and there is no experience necessary – to volunteer or ask any questions, please see Geni Peterson Henry at practice, email her at gnpheny@aol.com, or sign-up for a job on the posterboard by the coaches' table. There will be two posterboards if you want to sign-up for next Saturday's home meet as well.

ATTENTION MIDGET ATHLETE PARENTS!

Head Midget Coach, Richard Naranjo urgently needs parents to help out during practice. This is a large, active group of athletes who have had a great deal of success thus far this season. Please assist Coach Naranjo and Asst. Coach Donna Kneisel in helping your athletes continue their success into the second half of the season by coordinating drills, taking roll, handing out ribbons, etc. There is no track experience necessary. If you can help out on any practice day, please see either coach. Thanks!
